An Angel's Way, although fiction, contains real Scriptures, ready to fill your heart as you find your way to healing in this tragic world in which we live. In the story, we follow the life path of two people. We begin with an angel born human, and then as she gets older, she meets a man, a medical doctor, and they fall in love. Tragedy strikes, and he loses her. The world was near the end, with thousands of people injured in terrorist attacks, new diseases, new resistances to drugs, and then the children began to die. Although he was full of grief, he pressed forward, searching in desperation for cures. He was about to lose all hope when she re-entered his life. Unknown to the man, God had sent his angel to Earth to teach healing in biblical ways, as the revelations of end times were at hand. Earthquakes and storms were everywhere, but he continued his work until he was finally able to heal the children. The world going crazy, thousands dying, and one man had the answer to true, divine healing. How far would he be willing to go in order to heal the sick? Why do we suffer as Christians? How much is it worth to be able to serve God? With the ultimate price comes the greatest blessing!

Breathe in the healing ...

No matter the danger all around

We still have, instilled in us, the God-given desire to heal the sick.
