I Need More ...love! more truth! more sex, drugs, and thrills! more laughs! more culture! more dynamite and disaster! more clouds! more dreams! I need more than I ever did before, but everything is going up in price. Disturber of the peace, agitator of the young- "Iggy, take me with you."..."Iggy, you drive me crazy" - subverter, corrupter, god, and "family" man...This is Iggy pop, pioneer of punk rock, in his own words: "Masturbation is always an interesting subject, especially for musicians."..."Unless you could bust a person for lice...there was nothing they could really bus me for."..."I'm very terrified of this country, the USA...some of the values are so foul and so wicked...It's very wicked the way people are restrained, and I'm in favor of something else." I Need More is a collection of autobiographical stories by Iggy Pop. I Need More speaks for the 80s: "They say that death kills you, but death doesn't really kill you..." indifference and boredom kill you.
