You're the creative one in the family. You're an artist, a singer, a photographer... you name it, you have a knack for it. So, how do you turn your skill into a real money-making business?

This book will give you the tools you need to sell your material even if you have absolutely no experience. The online marketplace may seem a little daunting, but between these covers are tutorials, examples, and research that will turn your hobby into fast cash.

You will learn about online galleries, website design, search engines, publicity sources, online forums, auction sites, the basics of online marketing, email marketing, and much more. You'll even learn the exact times that people are most likely to look at a specific social media app so that you can reach as many people as you can.

You will learn about popular DIY sites like Etsy and Pinterest as well as how to start your own online store. With vibrant, easy-to-read language, this book provides you with everything you need to find customers and keep them coming back.
