Epiphany, Poetry in the Flow of Life : Volume II - Secundus El-R Charis

Poetry... The cadenced lyric of life, collaborated with color and inflection, twirling about in the infinite of thought. Verbs in metaphor that hold the spirit of a persons memories and fears, rage and culture, color and clarity... their blessings and gracing. An outright display parading the untimely death of innocence, and a resurrection out of what seemed driven by tangibly asinine lividity. Poetry is life and life creates for each, its own tapestry of multiple choices and 2nd chances. Examples of such, are marvelously exhibited here in "Epiphany, Poetry in the Flow of Life: Secundus". This newest installment of Words, Pictures, Passion; draws you in with life lessons, confessions through the highs and lows of soul ties, while breaking the chains of oppression disguised as political correctness. Allow these Words and Pictures to draw you in to the Passion channeled brevity that is, El R Charis.
