Journey to Ogasawara Michael Craig

In September 2005 we travelled from Moscow to Japan to make a film about the Russian futurist, poet and artist, David Burliuk, also known as the Father of Russian Futurism. The film was one of a six part series about the Russian Avant-garde. The visit involved a journey to Ogasawara for several days. This book is an account of our voyage to this island in the Pacific Ocean.
