'I looked down in an attempt to avert my gaze.

She too was wearing stockings only hers were the hold-up type, her long legs covered by the black silky semi transparent material in itself not unexpected, what did take me by surprise and my breath away a little was that she had no other underwear on at all.

My eyes fell on to her perfectly smooth womanhood, I should've looked away immediately by I was mesmerised for a long moment.

Then I looked up unable to avoid seeing her breasts, no different in size to mine only my back must be a little broader her boobs seemed slightly rounder at the sides, and her nipples much bigger looked like ripened fruit.

I liked my lips unconsciously, as my gaze moved from her nipples back to her face.
