A Victorian lesbian tale. This is the story of Annie Smith, a prostitute living in the Covent Garden area in London. It's the mid-1800s and the area was rife with prostitution during this era and held no exception to Annie's plight. Forced by her mother to work in this trade, she is determined to find a way out of this life and at any cost. When she meets a married man quite by sheer accident, she is offered an unusual way to leave this sordid existence behind her. Annie is extremely grateful for her new found role in life and for a while she accepts this to be the right choice. But soon her life will change again when she meets her Dark Cully's wife, Mrs. Rose Rotherham, a fine and beautiful woman who happens to be high up in the social circle of London. Annie shows to be besotted with her and has to find a way into her life and when she manages to find that avenue, there is literally hell to pay.
