Danu Forest

The Magic of the Summer Solstice Danu Forest

In this, the first in a series of e-books on the solstices and equinoxes within this sacred cycle, Danu Forest reveals the secrets of the Summer Solstice, when the sun reaches its highest point in the sky and the days are at their longest. This is a festival of power; a time for appreciating the maturity of nature and our lives; a time of confidence, illumination and vitality.

Throughout this book, Danu skilfully revives ancient traditions, encouraging you to reconnect with nature, and yourself, with a host of practical rituals. Craft floral sun wheels and suncatchers for your home. Meditate on the changing heavens with Celtic star lore. Make pouches of vervain for self-protection, or elderflower cordial to attract the blessings of the faeries. Revel in the power of the Summer Solstice with a magical guided visualization.
