FOR AN INSIDER GLIMPSE of the world's rich, famous, and overly indulged, who better to ask than the people who take care of their children? After all, these are the women (and men!) who see them before makeup and wardrobe and after a few too many cocktails. Amidst the fantastic luxury, sexy celebrities, and hyped-up household politics, the nanny certainly has more to handle than diapers and bedtimes. But if you're just looking for dirt, you won't find it in these pages. Instead, authors Julie Swales and Stella Reid share anecdotes and insights about what happens when money, power, and fame intersect with the highly personal arena of raising children.
