**Psychosocial Interventions in the Home: Housecalls** Kadi Sprengle, Nancy A. Newton

The editors examine current treatment models and programs designed to meet the needs of children, adolescents, adults and the elderly. In-depth presentations of clinical cases from a variety of mental health populations and first person accounts from clients and caregivers illustrate the realities of this work, topics range from families in crisis to acute and chronic stages of mental illness. Several chapters provide clear guidelines for dealing with constraints particular to managed care, mental health law, assessment and treatment intervention, and training and supervision for professional and paraprofessional home-based caregivers. Psychologists and social workers in home care will find this a valuable resource.
