Radionics Interface with the Ether Fields David V. Tansley

This book explores the interface that exists between the human energy field and the Universal Field of energy in which we live. It shows how these fields can be used for distant diagnosis and treatment. Radionics is a healing art that links the physical world with the unseen worlds lying beyond the physical senses. The theory and practical application of these concepts is fully covered in this this book, which is the companion to *Radionics & the Subtle Anatomy of Man*.
