The Emasculation of Men in America: 50 Reasons Why Males are No Longer Men William Bray

A war is being waged in American Society in an effort to strip males of their Manhood! It is being waged by a number of repressive forces, but it is most notably resulting from excessive force being used by Radical Feminists to serve the cause of women's rights. While most agree that such a cause is just and needed, it should not be necessary to step on men and then to kick them in order to raise the cause of women's rights to new heights. In this process feminist writers are rewriting historical accounts of ancient Greece and Rome, writing plays and making films showing males in passive or subservient roles, and even attempting to "rewrite" the Bible suggesting Jesus had a wife and family. This pure fabrication (that Mary Magdalene was married to Jesus) to serve the agenda of feminists, whose goal may be to reduce Jesus to a kind of Dagwood Bumstead, where Blondie gets credit for holding everything together, should be considered blasphemy by every Christian. The Emasculation of Men in America is intended to be a wake up call for men and women in society and to stimulate discussion in an effort to save the very identity of males and their sons in the future.
