Wealth is a Mindset [Color Limited Edition] Shynna Key

Wealth is a Mindset by Shynna Key Empowering you to build your empire... "Wealth is a Mindset!" Shynna Key says these days—as she pens this empowering resource journal about “keeping it real” with your current financial position, identifying challenges and taking responsibility for changing the way you view wealth. In a world of economic ups & downs we must begin by examining financial culture and what we have been taught as it relates to money and wealth. Though finances are a very private area for most to discuss, it is a crucial topic that will help us to understand the root of our financial ‘woes’ as well as the fruit of our financial ‘favor’; which is essential to our overall growth of wealth. —We must educate ourselves and organically retrain our brains about how we think about wealth.
