"Timeless or trendy? Malls are trendy. Church should be timeless." The opening words of the popular campaign "Still Church" serve as the launch point for the e-book A CASE FOR BEING TIMELESS. Change sweeps across every aspect of life. Church should be a place where people can come and not feel tossed around by every new current in culture. Church should be anchored. It should stand firm. Some churches fail because they never change, but they never explain to the next generation why. Some churches fail because they DO change. We choose to not change. On purpose. With reason. We like the old paths, and we have no reason to leave them. In fact, we have every reason to remain true to them. A CASE FOR BEING TIMELESS is a 3-part book that makes a case for churches remaining on the old, fundamental paths on which they began rather than constantly changing in order to keep up with fads. The three parts (What, Why, and How) to the book make a compelling case for why our generation of youth should choose to be passionate about the old paths.
