About the series... Shibari is the Japanese-inspired art of tying a subject to not only immobilize them, but to do so elegantly and beautifully - creating an intimate and erotic experience for both the subject and the person tying. Adopted by rope enthusiasts all over the world, shibari (literally "to tie" or "to bind") is a cornerstone of erotic rope art and the subject of captivating performances and photographs. However, in-depth resources for learning the art are difficult to obtain, making shibari intimidating, obscure and difficult to master... Until now. The Complete Shibari series is the most complete and accessible English-language guide to shibari ever published. Author Douglas Kent strips away shibari's mystery and reveals how to create visually stunning compositions with rope and the human form, in your own home or play space. About Complete Shibari: Sky Complete Shibari Volume 2: Sky builds on the material from Volume 1: Land and explores the spectacular techniques of erotic rope suspensions. With short, clear explanations and over 340 lavish, step-by-step illustrations and photographs, Douglas Kent takes the intimidating world of shibari suspensions and makes it practical and straightforward. As with the previous volume, this is not a "knot book", but a straight-forward, hands-on guide for people interested in actually doing suspensions. This practical guide covers everything from scene safety, through establishing anchor points and selecting suspension hardware, to the physics and skills needed to suspend a human body safely and beautifully. Complete Shibari Volume 2: Sky is a ground-breaking, must-have book for anyone interested in taking their rope play to the next level, and into the air!
