Gregorian Strategy For Multiple Deck Blackjack Gregory Mannarino

Publisher Comments: The revolutionary strategy that will help every player beat the house without counting cards. Gregory Mannarino has devised his own Gregorian Strategy, the only strategy that is specifically designed to take advantage of the rules offered by multiple deck games. By understanding the basic rules of the game and their variations, players will begin to realize that some games have rules that are more favorable to the player than others, learn how to determine the probabilities of winning various combinations of player and dealer-up cards, and learn how to attack the dealer when he's most vulnerable.
