Book details:

Lockdown by Diane Tullson

Some days it's just easier not to go to school at all. Adam has been slacking off lately, but today he stuck around to see his girlfriend. When Josh, who has been bullied mercilessly, brings a gun to school, the building is locked down and Adam is forced to risk everything to save himself and to find Zoe before Josh does. Calling on reserves he didn't know he had, Adam could end up a hero—or a victim.br>

Infiltration by Sean Rodman

Bex has explored almost every abandoned building and tunnel in the city. He's into "urban exploration"—going where he's not supposed to go. Bex has always done it just for fun and bragging rights, taking nothing but pictures and leaving nothing but footprints. But that changes when a new kid arrives at school. Kieran is edgy, dangerous and into urban exploration as well. Together, they start pushing each other to radical extremes. When Kieran pitches a plan that involves taking more than just pictures, Bex has a decision to make. Where will he draw the line, and how far will he follow Kieran?<
