As a university student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this *Rising Strong*: by Brene Brown | Key
