The Strengths of African American Families: Twenty-Five Years Later

Robert B. Hill

The Strengths of African American Families: Twenty-Five Years Later Robert B. Hill

Returning to his innovative work of twenty-five years ago, Robert Hill once more offers an incisive analysis of five key cultural strengths of African-American families. With compassion and eloquence, he argues that these existing strengths provide a solid foundation upon which to develop the kind of public policies and self-help initiatives that will truly promote the interests, not only of the African American community, but of our diverse nation as a whole.
