This anthology is not for the meek or prudish. The stories contained within this book are about fish in the most outlandish, perverted and wild ways imaginable. Two men go to the aquarium and play a game. The loser gets to strip and play with the fish! A reclusive millionaire likes to fish. . .with LIVE BAIT! If mermaids are real, then do they taste like tuna or flounder? A man with a particular fetish for sea life finds out that it's not so much fun when he's on the receiving end. When a wife is betrayed, she uses everything from leeches to a swordfish to exact her revenge. Can stickleback fish infect your mind and control you? Can they take over an entire town? Ever wish upon a star and have all your dreams come true? Well, how about a goldfish? These and other twisted tales will make you laugh, cringe with revulsion, and if we did our job right, have a great time. Welcome to Twisted Fish, where even sea life isn't safe.
