2014 Photo Calendar - Japan's Flowers, Plants & Trees Daniel H. Wiczorek

A 2014 Calendar showing Japan Mountains and Mountain Flowers. Full Moon dates are shown for each month as a symbol similar to a "smiley". The full moon dates shown could be off by a day for your specific location in the world. At the end of the calendar you can find a complete data table showing all moon phase and seasons information (times shown are given in Universal Time). No National Holidays are shown so this calendar can be used worldwide. You can use a highlighter to mark your local holidays.

VERY IMPORTANT NOTE:

To use this "book" as a calendar on your wall here is an explanation. Open it to the center and carefully flatten it out on a table or counter. Then turn either forward or back and carefully flatten that page, then go to the next page and flatten it out. Keep doing this until you have carefully flattened every page. It is then suitable for hanging on your wall. If you do not follow these instructions then you could break the binding.
