In Fox's Forest Guy Colwell

This story about a fox who must find his way back to freedom is an all-ages parable about being true to oneself.

After a successful hunt with his mate, a male fox is captured by the “two leggers” and thrust into captivity. There, he faces dangers more insidious than the simple eat-or-be-eaten laws of the forest: complacency, fear of the unknown, pack mentality, and loss of identity. Black & white illustrations throughout.
