Jehovah Himself Has Become King: A Primer for the Apocalypse Robert King

Critics have leveled many accusations against the leaders of the Watchtower Jehovah's Witnesses, accusing them of being soft on pedophiles—of being false prophets and of ruining families. But how do we know what Jehovah himself thinks of the organization that bears his name?

The answers are in the Bible. Robert King offers a unique interpretation of God's judgments in scripture, comparing modern-day Jehovah's Witnesses to the people of Jerusalem in ancient times who came under God's judgment.

This prophetic book does more than expose the errors and hypocrisy of the Watchtower's leadership; it serves as a revelation of God's judgments on the people who bear his name.

Jehovah Himself Has Become King is a must-read for both devout Jehovah's Witnesses and those who are questioning their faith.

This revised third edition includes new indexes and updates on current problems facing the church, making it a definitive reference guide.
