Mainstream Christian religion's selective interpretations and teachings of scripture have become so ingrained in our culture that many of us grow up preconditioned in its belief system. How many of us have actually read the texts for ourselves? And how many have been able to do so with an open mind and heart, free from indoctrination?

Jesus in Salome's Lot sets out to free as many minds as possible and position them to receive the true, untold story of Jesus in its proper context. Peel back the layers and discover Jesus's secret life as founder of the Pisces cycle. Learn the mysteries of his immaculate conception, his private inner circle, and his link to the Mayan calendar.

Sift out the Bible stories and memory verses everyone is taught from childhood and dig into the stunning truth that lies beneath. You will find it's always been there, right before your eyes—they just weren't yet open enough to see.

This code-cracking page-turner is a theosophical reading of ancient texts you only thought you knew.
