## Rand McNally Goode's World Atlas

*Goode's World Atlas* has been the world's premiere educational atlas since 1923, and for good reason. It features over 250 pages of maps, from definitive physical and political maps to important thematic maps that illustrate the spatial aspects of many important topics. The **22nd Edition** includes 160 pages of new, digitally produced reference maps, as well as new thematic maps on global climate change, sea level rise, CO<sub>2</sub> emissions, polar ice fluctuations, deforestation, extreme weather events, infectious diseases, water resources, and energy production.
