Selected Issues in the Modern Intercultural Contacts Between Arabic and Hebrew Cultures: Hebrew, Arabic and Death (Brill's in Jewish Studies) (Brill's Series in Jewish Studies) Mahmoud Kayyal

In his book *Selected Issues in the Modern Intercultural Contacts between Arabic and Hebrew Cultures*, Mahmoud Kayyal examines the modern intercultural contacts between Arabic and Hebrew cultures from postcolonial perspectives. An aggressive relationship exists between the two cultures that stems from the combination of Hebrew culture's representation of neo-colonial Western culture and the majority-minority relations between Jews and Arabs within Israel. By focusing on specific issues in these intercultural contacts, especially translation activity between the two languages, Hebrew linguistic interference in the Palestinian literature, and Hebrew writings of Palestinian authors, Kayyal reveals the ongoing struggle between the Zionist orientation and the subversive forces that attempt to undermine the Zionist narrative, and to preserve the Palestinian narrative."
