Small group decision making: Communication and the group process (McGraw-Hill series in speech)

B. Aubrey Fisher

SMALL GROUP DECISION MAKING is informed by the late Aubrey Fisher's own theory of decision making and his perspective (pragmatist) on communication. These perspectives give the book a strong theoretical framework on which to build an understanding of group communication. The fourth edition of this book is a thoroughly updated version, with a review of the recent scholarly literature, organizational changes for clarity and increased coverage of important topics such as NGT, leadership, conflict and ethics.
