The Columbia Anthology of British Poetry

The Columbia Anthology of British Poetry

A sweeping compendium of British verse from Old and Middle English to the present, including the best work of poets from every corner of the British Isles, *The Columbia Anthology of British Poetry* offers the most up-to-date and comprehensive single volume available.

Carl Woodring and James Shapiro, the same experienced editorial team who brought students and lovers of literature *The Columbia History of British Literature*, now present a volume that resonates with contemporary significance, yet also takes into account the centuries-old poetic tradition that planted Great Britain centrally in the canon of Western Literature.

The Columbia Anthology pays tribute to the renowned works that any include--Chaucer, Spenser, Shakespeare, Milton, Blake, Eliot, Auden. But the book also resurrects the voices of excellent poets, particularly women--such as Queen Elizabeth I, Anne Ingram, and Christina Rossetti--who have been unjustifiably ignored until recently.

Contemporary British poetry is fully represented as well, with the work of Thom Gunn, Seamus Heaney, Liz Lochhead, and Paula Meehan bringing *The Columbia Anthology* up to the minute.

Unencumbered by extensive notes that divert attention from the spirit of verse, *The Columbia Anthology of British Poetry* allows readers to discover the poems for themselves. It is a collection poetry lovers will want on their shelves for years to come, to read and enjoy again and again.
