Tourism Market Trends 2005 - World Overview & Tourism Topics World Tourism Organization (UNWTO)

Data on the evolution of international tourism worldwide and the accompanying aggregated data is presented in the volume World Overview and Tourism Topics. The first part of the volume provides a qualitative assessment of tourism development in the world and a quantitative analysis of tourism results. The second part of this volume is dedicated to a discussion of tourism topics of interest. The volume World Overview and Tourism Topics is completing the regional volumes with a global perspective and worldwide aggregate data. At the same time, it can be used as volume on its own by those not interested in the regional perspective and individual countries data included in the five regional volumes.
