Butler to the Dark Lord: A Grim Choices gamebook Sam Bowring

Downton Abbey meets Mordor in this darkly funny gamebook for adults, in which YOU play the butler to the Dark Lord, and your choices change the story. Looking after your master Malacandros is never easy. Like any good Dark Lord, he will just as soon fireball you to death as look at you - but this week things are particularly hectic. The Stygius ceremony is about to occur for the first time in a hundred years, the castle is bustling with treacherous nobility and unwelcome relatives, there's a feast of live balfrog tadpoles to organise, and let's not forget the sinister plot to murder your master that's taking shape behind closed doors. With multiple pathways through the story depending on the choices you make, 9 different endings to discover, and plenty of ways to meet an untimely demise, you're going to have your work cut out for you ensuring that everything runs smoothly. Will you sleep with the virgin sacrifice before the ceremony? Will you sample too much in the wine cellar? Will you be able to teach the castle harpies the merits of personal hygiene? Most importantly, will dinner be served on time? Butler to the Dark Lord is written by Australian comedian and fantasy author Sam Bowring, whose other books include The Broken Well trilogy ('the stuff of fantasy writer's fantasies' - ArealisXpress) and the Strange Threads duology ('utterly mesmerising - Courier Mail).
