## **Justice Delayed** Patricia Bradley

It's been eighteen years since TV crime reporter Andi Hollister's sister was murdered. The confessed killer is behind bars, and the execution date is looming. But when a letter surfaces stating that the condemned killer didn't actually do it, Detective Will Kincaide of the Memphis Cold Case Unit will stop at nothing to help Andi get to the bottom of it. After all, this case is personal: the person who confessed to the crime is Will's cousin. They have less than a week to find the real killer before the wrong person is executed. But much can be accomplished in that week--including uncovering police corruption, running for your life, and falling in love.

With the perfect mixture of intrigue and nail-biting suspense, award-winning author Patricia Bradley invites her readers to crack the case--if they can--alongside the best Memphis has to offer.
