PCEP Book II: Maternal and Fetal Care (Perinatal Continuing Education Program)

PCEP Book II: Maternal and Fetal Care (Perinatal Continuing Education Program)

Time-saving, low-cost solutions for self-paced learning or instructor-led training!

Developed for health care professionals who provide care to pregnant women and newborns, the Perinatal Continuing Education Program (PCEP) is a comprehensive, self-paced education program in four volumes.

Completely updated and revised with leading-edge procedures and techniques, **Book II: *Maternal and Fetal Care*, 3rd Edition** features 10 units containing information and skills essential for recognition and initial management of high-risk and sick pregnant women and their fetuses.

PCEP is a proven educational tool for:

- **Improving perinatal care** know-how, policies, practices and procedures
- Establishing organization-wide care goals and routines
- **Teaching both practical skills** and cognitive knowledge
- Saving time and money -- streamline the learning process
- **Reducing care risks** through staff-wide consistency of knowledge and skills competency
- Encouraging cooperation and communication among diverse staff
- **Simplifying education planning and budgeting**

It should be here for you actually. So , don't miss this! Just read this e-book sort for your better life as well as knowledge.

Anthony Balentine:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this PCEP Book II: Maternal and Fetal Care (Perinatal Continuing Education Program) can make you experience more interested to read.
