'Put yourself in my place': Designing and managing care homes for people with dementia Caroline Cantley, Robert C. Wilson

Put yourself in my place is based on the latest thinking about person-centred dementia care. It draws upon case studies of recently built specialist dementia care homes to produce practical suggestions about designing, setting up and managing specialist care home facilities for people with dementia. The indispensable guide addresses a wide range of design and management issues including: the design process; design consensus and debates; features of good dementia care home design; first steps for service planners and managers; key elements of good management practice; key elements of good care practice; staffing for good dementia care.
