Blood on Their Hands: How Callous Conservatives Capitalize on Clueless Constituents

Forrest P. Redd

Blood on Their Hands: How Callous Conservatives Capitalize on Clueless Constituents Forrest P. Redd
In *Blood on Their Hands*, author Forrest Redd unravels the past eight years of the Bush Administration in an attempt to prove why George W. Bush should be convicted of inciting an illegal war. Fueled by the outcome of the 2004 election, Redd demonstrates how the right-leaning media pundits assisted Bush in misleading the public and why the American people share the responsibility of Bush's disappointing, dangerous presidency. In reevaluating the way the American people handled the Bush Administration, Redd transfers the blame for eight years of failures and atrocities from Bush squarely to the shoulders of the American voters. Redd also includes chapters on the Supreme Court's role in determining the 2000 election, a side-by-side comparison of Kerry and Bush in the 2004 election, and a reaction to the proposed change brought about by the 2008 election. Ultimately, *Blood on Their Hands* is a call to the nation to come together and practice common sense, strive for enlightenment, and exercise decency, tolerance, and compassion.
