**Driven: Teen Phenoms, Mad Parents, Swing Science and the Future of Golf** Kevin Cook  
**An inside look at the creation of the new breed of superstar golfers**

Golf keeps looking for the next phenom who will take over the game the way Tiger Woods did in the mid-nineties. But in all likelihood this young golfer will not be discovered but created in a gated three-hundred-acre complex in Florida called the David Leadbetter Golf Academy. Here exists a fierce training ground, where ultra-high-tech cameras provide cutting-edge swing analysis and young players spend almost every waking hour on the driving range.

In *Driven*, award-winning journalist Kevin Cook shows how the game has evolved from a sport of paunchy men to one populated with muscular youngsters blasting tape-measure drives. A vivid snapshot of a rapidly changing game, *Driven* is a riveting look at the making of golf 's next generation.
