Learn to identify and treat severe trauma injuries in the field and give victims the best chance for survival. Developed with the assistance of certified emergency medical technicians and military medics, this Duraguide® provides a clear understanding of the basics of first aid, how to evaluate injuries and provide proper first aid for specific injuries. An essential reference for non-medical personnel in disaster situations, the guide is printed on waterproof paper for durability and the ideal lightweight (one ounce) reference that should be in every soldier's pack. A portion of the profit from the sale of this guide is donated to support military families through the Sierra Club's Military & Families of Veterans Initiative. Made in the USA.
