Cottone's Practical Infection Control in Dentistry

Cottone's Practical Infection Control in Dentistry

Now in its Third Edition, this book is a primary, comprehensive infection control text for students in the dental professions. Using the latest scientific and clinical evidence and current infection control guidelines, the book presents easy-to-follow protocols as components of a basic infection control routine. This Third Edition has been thoroughly updated and contains more photographs and tables. A glossary of terminology and acronyms appears at the beginning of each chapter.
