Bali has become a top vacation spot for travelers from all over the world who often become enchanted with the island and return over and over.

Mick Jagger brought Bali to the world's attention when he got married there to Jerry Hall. The marriage did not last, but Bali's is still considered by many to be the Home of the Gods. Later, everyone could see the beauty of Bali in Julia Roberts' movie **Eat Pray Love**.

In **How To Find The Heart Of Bali**, you will discover for yourself the passion that Bali has inspired in Western visitors for more than a hundred years. Kate Benzin is a highly experienced tour director who has lived in Indonesia for more than 30 years and knows the island as few other outsiders do.

As Kate makes clear in her Introduction, this is not a typical guidebook and does not recommend specific hotels or restaurants. Rather, it is an introduction to social and cultural Bali so that the first time traveler to Bali can experience a dream holiday in this iconic 'tropical island paradise' destination full of culture and wonder.
