#### **Barbara Norwood:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Japan (History of Nations) can make you truly feel more interested to read.
