Modernism (The New Critical Idiom)

Peter Childs

Modernism (The New Critical Idiom) Peter Childs

Modernist movements radically transformed the late nineteenth- and early twentieth-century literary establishment, and their effects are still felt today. *Modernism* introduces and analyzes what amounted to nothing less than a literary and cultural revolution.

In this fully updated, expanded, and revised third edition, charting modernism in its global and local contexts, Peter Childs:

- details the origins of modernism and the influence of thinkers such as Darwin, Marx, Freud, Nietzsche, Saussure and Einstein
- explores the radical changes which occurred in the arts, literature, drama, and film of the period
- traces 'modernism at work' in literature, especially in writings by a range of British, Irish, American and other Anglophone authors including James Joyce, Virginia Woolf, Samuel Beckett, Nella Larsen, Gertrude Stein, Katherine Mansfield, T. S. Eliot, and many others
- explains recent critical interest in the culture and worldwide impact of modernism
- reflects upon the shift from modernism to postmodernism.

At once accessible and critically informed, *Modernism* guides readers from first steps in the field to an advanced understanding of one of the most important cultural phenomena of the last centuries.
