Introduction to Sociology

Henry L. Tischler

Introduction to Sociology Henry L. Tischler

This revised edition of Tischler's INTRODUCTION TO SOCIOLOGY continues a tradition of providing proven textbooks to students and professors at lower prices. This value is enhanced with the inclusion of the built-in study guide and practice tests. The author threads two basic ideas through the text--that sociology is a rigorous, scientific discipline and that a basic knowledge of sociology is essential for understanding social interaction in many work and social settings. Each chapter progresses from a specific to a general analysis of society--each part introducing increasingly more comprehensive factors necessary for a broad-based understanding of social organization.

From reader reviews:

Lisa Hegland:

This book untitled Introduction to Sociology to be one of several books which best seller in this year, this is because when you read this reserve you can get a lot of benefit into it. You will easily to buy this book in the book retail store or you can order it by means of online. The publisher of this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Touch screen phone. So there is no reason to you personally to past this guide from your list.

Shalon Fisk:

The actual book Introduction to Sociology will bring one to the new experience of reading any book. The author style to clarify the idea is very unique. When you try to find new book to read, this book very suitable to you. The book Introduction to Sociology is much recommended to you to see. You can also get the e-book through the official web site, so you can quickly to read the book.

Luther Ritenour:

Why? Because this Introduction to Sociology is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who all write the book in such amazing way makes the content inside of easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking technique. So , still want to hold up having that book? If I were you I will go to the guide store hurriedly.

Kathy Graves:

Playing with family in a park, coming to see the ocean world or hanging out with close friends is thing that usually you have done when you have spare time, then why you don't try matter that really opposite from that. I activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Introduction to Sociology, you may enjoy both. It is great combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout men. What? Still don't have it, oh come on its named reading friends.
