Swiss Mist Randy Powell

When Milo is in fifth grade, his parents get divorced, and his teacher, Ms. Swinford, helps him make it through the year. He loves hearing her sing “The Happy Wanderer” and reminisce about the year she lived in Switzerland during college, practically *on* the misty slopes of the Matterhorn. The Matterhorn! During the next five years, Milo moves through the mists of Washington State – from place to place and school to school – while his mother tries to figure out what to do with her life. Along the way, he tries to “seek the truth,” as his free-spirited father urged him to do before he left, but he never forgets Ms. Swinford and her tales of Switzerland. Then, when he gets the chance to see Ms. Swinford again, his understanding of what is true is shaken.

With the authentic teen voice and quirky characters he’s known for, Randy Powell tells a thoughtful story about a loner searching for his own path in a constantly changing world.
