The Saga of Rex

Michel Gagne

The Saga of Rex Michel Gagne

- The adorable little fox named Rex is plucked from his home world by a mysterious spaceship and transported to the arcane world of Edernia, where he meets Aven, an enigmatic biomorph with a flying saucer. Follow Rex on his epic journey as he travels through outer-worldly landscapes, faces strange perils, and makes surprising encounters. A story that is in turn adventurous, heroic, tragic, romantic and wonderfully surprising, *The Saga of Rex* perfectly captures a vision of whimsy and wonder that will delight young and old.
- For the first time, Michel Gagne's complete and unabridged tale originally serialized over a period of seven years in the award-winning anthology *FLIGHT* is now available in all its glory.
