Bni Building News Facilities Manager's Costbook 2011 Bni Building News Inc.

This amazing cost estimating guide addresses the unique estimating requirements of the facility manager. This individual is responsible for the construction, repair, remodeling, and maintenance of commercial, industrial, and institutional facilities -- such as government and commercial buildings, schools and medical facilities. The cost data in this reference is used for developing budgets, checking contractor's prices, calculating change orders and any instance where accuracy is key. Here you will also find man-hour tables to help determine labor costs, reference tables and regional cost modifiers for over 200 metro areas.
