Charlie and the Chocolate Factory

Charlie and the Chocolate Factory

From the author of *The BFG* and *Matilda!*

Willy Wonka's famous chocolate factory is opening at last! But only five lucky children will be allowed inside. And the winners are: Augustus Gloop, an enormously fat boy whose hobby is eating; Veruca Salt, a spoiled-rotten brat whose parents are wrapped around her little finger; Violet Beauregarde, a dim-witted gum-chewer with the fastest jaws around; Mike Teavee, a toy pistol-toting gangster-in-training who is obsessed with television; and Charlie Bucket, Our Hero, a boy who is honest and kind, brave and true, and good and ready for the wildest time of his life!

From reader reviews:

Timothy McCormack:

Book is to be different for each grade. Book for children until eventually adult are different content. As you may know that book is very important normally. The book Charlie and the Chocolate Factory seemed to be making you to know about other information and of course you can take more information. It is rather advantages for you. The guide Charlie and the Chocolate Factory is not only giving you more new information but also for being your friend when you experience bored. You can spend your current spend time to read your guide. Try to make relationship with the book Charlie and the Chocolate Factory. You never experience lose out for everything when you read some books.

Eric Sanders:

As people who live in the modest era should be upgrade about what going on or facts even knowledge to make these keep up with the era that is always change and make progress. Some of you maybe can update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This Charlie and the Chocolate Factory is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Vivian Obrien:

Is it an individual who having spare time and then spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Charlie and the Chocolate Factory can be the response, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

Titus Johnson:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book was rare? Why so many concern for the book? But just about any people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and Charlie and the Chocolate Factory or others sources were given know-how for you. After you know how the good a book, you feel want to read more and more. Science book was created for teacher as well as students especially. Those publications are helping them to bring their knowledge. In various other case, beside science reserve, any other book likes Charlie and the Chocolate Factory to make your spare time far more colorful. Many types of book like here.
