It is the purpose of this book to explore prophecies in the Bible, from Genesis to Revelation. Biblical prophecy that has been fulfilled is one hundred percent accurate. You can rest assured that someday God will completely fulfill every aspect of His prophetic word. Fulfilled biblical prophecy is important because it gives powerful proof that the Bible is the inspired Word of God. "We have the prophetic word confirmed, which we should heed as a light that shines in a dark place, until the day dawns and the morning star rises in our hearts" (2 Peter 1:19). Who is the morning star? It is Jesus Christ. This implies that biblical prophecy is of benefit until the end of this age, when Christ returns.
