HIGH OCTANE FUEL FOR MARRIAGE focuses on enrichment and minor repairs, seeing that major rebuilding is necessary when timely repairs are neglected. Relationship Enrichment is generally more effective for couples who have basically healthy relationships, but want to continue learning, growing, and developing relationship skills. However, research also documents that significant numbers of troubled marriages stabilize and/or improve when marriage enrichment strategies are implemented. This book is a valuable resource to promote marital harmony and will shift relational momentum to more desirable and favorable outcomes. Building on relational strengths and drawing out undeveloped potential result in better, happier, and more satisfying relationships.
