Royal Russia: The Private Albums of the Russian Imperial Family Carol Townend

This splendid album of rare and unpublished photographs from the Romanovs' own albums is an intimate portrait of the private and public lives of the family of Nicholas II, Russia's last tsar. This unique collection is taken from the personal album of the Tsar's daughter, Grand Duchess Maria, and from the Tsarina Alexandra's own commemorative album, both now in the James Blair Lovell Archive. An extraordinary chronicle of a way of life that ended in 1918 with the brutal execution of nearly every member of the Imperial Family pictured here.
