I want to stretch to the moon, Delia thought. Far, far away.

Twelve-year-old Delia Ferri doesn't remember her mother or her family the way it used to be. All she knows is that her sister, Pearl, and her father are fighting more and more. Pearl is withdrawn and angry and obsessed with witchcraft. Delia vows not to give her father anything else to worry about.

The only time Delia feels important and alive is when she is dancing for Madame Elanova, a world-famous ballet instructor who calls Delia "destined." Delia relishes the hard work required to be a ballet dancer, but she doesn't see the toll it is taking on her life. As competition for Madame's approval takes over, Delia's weight drastically drops, her schoolwork suffers, and she pulls away from her friends and family. Only then does she begin to understand how fiercely her sister had to fight to find her own truth.

A Dance of Sisters is an intimate portrait of the rigorous world of ballet, and a story of two girls searching for connection. Tracey Porter's beautiful novel explores the many dances of life, and the bond between sisters that sometimes only experience can reveal.
