Catching the Wind Melanie Dobson

What happened to Brigitte Berthold?

That question has haunted Daniel Knight since he was thirteen, when he and ten-year-old Brigitte escaped the Gestapo agents who arrested both their parents. They survived a harrowing journey from Germany to England, only to be separated upon their arrival. Daniel vowed to find Brigitte after the war, a promise he has fought to fulfill for more than seventy years.

Now a wealthy old man, Daniel's final hope in finding Brigitte rests with Quenby Vaughn, an American journalist working in London. He believes Quenby's tenacity to find missing people and her personal investment in a related WWII espionage story will help her succeed where previous investigators have failed. Though Quenby is wrestling her own demons and wary at the idea of teaming up with Daniel's lawyer, Lucas Hough, the lure of Brigitte's story is too much to resist. Together, Quenby and Lucas delve deep into the past, following a trail of deception, sacrifice, and healing that could change all of their futures.

From reader reviews:

Richard Fentress:

In this 21st one hundred year, people become competitive in every single way. By being competitive right now, people have do something to make these people survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the item for a while is reading. Sure, by reading a book your ability to survive enhance then having chance to stand than other is high. For you who want to start reading some sort of book, we give you this Catching the Wind book as basic and daily reading publication. Why, because this book is usually more than just a book.

Molly Edwards:

This book untitled Catching the Wind to be one of several books that best seller in this year, honestly, that is because when you read this book you can get a lot of benefit onto it. You will easily to buy this kind of book in the book retailer or you can order it via online. The publisher in this book sells the e-book too. It makes you quicker to read this book, as you can read this book in your Cell phone. So there is no reason for you to past this book from your list.

David Williams:

Many people spending their time frame by playing outside together with friends, fun activity together with family or just watching TV the entire day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book can really hard because you have to take the book everywhere? It alright you can have the e-book, getting everywhere you want in your Mobile phone. Like Catching the Wind which is having the e-book version. So , why not try out this book? Let's find.

Christopher Wilkerson:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's internal or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Catching the Wind can make you experience more interested to read.
